UNIVERSITY OF ALBERTA

We live in a country called Canada.  
There are many kinds of neighbourhoods  
in Canada.

What do you know about your  
neighbourhood?

## USE OF SPACE

---

Neighbourhood space is used in different ways. It might be used for

- ...places to live
- ...places to have fun
- ...places to work
- ...places to learn
- ...places to grow things

What is your neighbourhood space used for?

## SIZE

---

Neighbourhoods are different sizes.  
Some are large. Some are small.

How large is your neighbourhood?

## PEOPLE

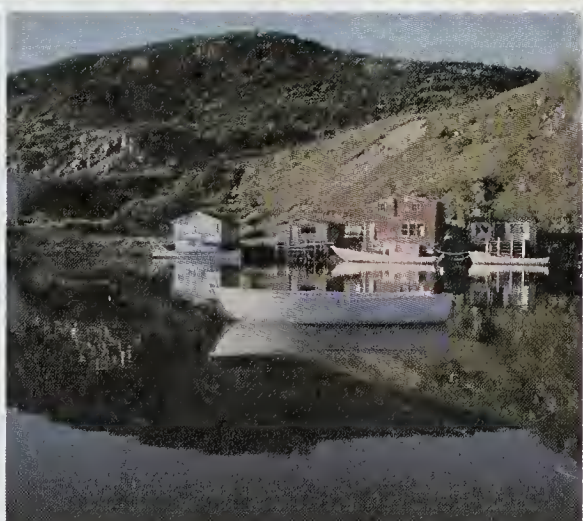

---

People are part of a neighbourhood.  
Some neighbourhoods have many people.  
Some have few people.

How many people live in your  
neighbourhood? What are they like?

# HOMES

---

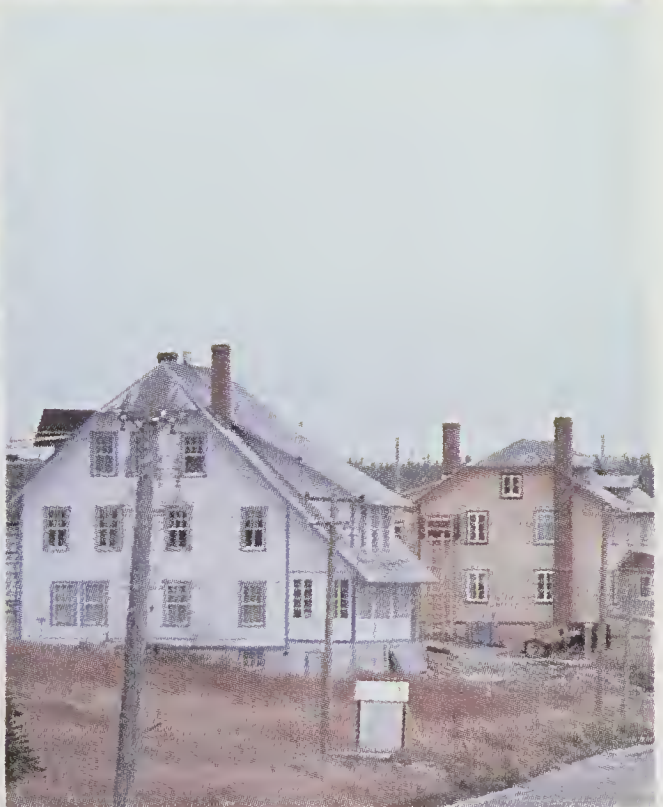

Neighbourhoods can have many different kinds of homes. Some have

- ...apartments
- ...one-storey houses
- ...two-storey houses
- ...townhouses
- ...detached houses
- ...attached houses

What kinds of homes does your neighbourhood have?

# BUILDINGS

---

Buildings are part of a neighbourhood. Some neighbourhoods have many buildings. Some of these buildings are not homes. They are places where people work. Some neighbourhoods have few buildings. Almost all of these buildings are homes.

How many buildings does your neighbourhood have? What kinds?

# FUN

---

Neighbourhoods have many places to have fun in. There are

- ...parks
- ...schoolyards
- ...playgrounds
- ...streets and alleys
- ...community centres

Where do you have fun in your neighbourhood?

# TRAVEL

---

There are many ways to travel around in a neighbourhood. People might

- ...walk
- ...ride bicycles
- ...ride in cars
- ...ride in trucks
- ...ride on busses
- ...ride on subways

How do people travel inside your neighbourhood? How do things and ideas travel inside your neighbourhood?

# TRAVEL

---

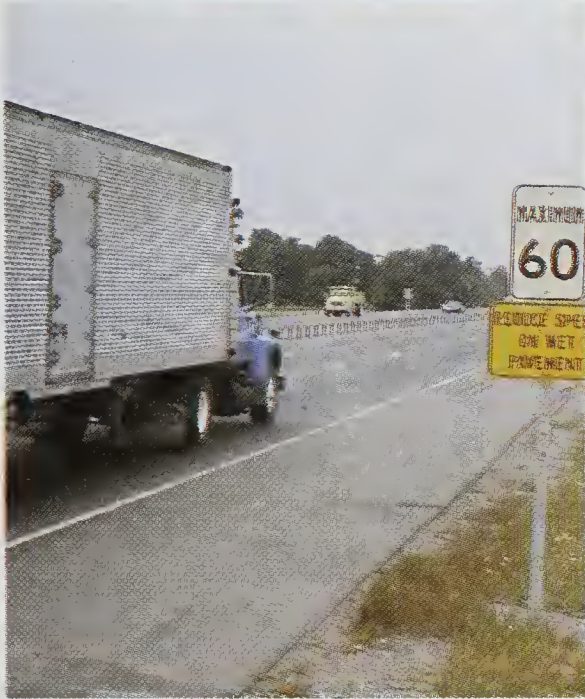

There are many ways to travel between neighbourhoods. People might

- ...ride in trains
- ...fly in airplanes
- ...ride in skidoos
- ...ride in boats

How do people travel from your neighbourhood to other neighbourhoods?  
How do things and ideas travel from your neighbourhood to other neighbourhoods?

# HELPERS

---

Neighbourhoods have helpers. They help everyone in the neighbourhood by

- ...taking the garbage away
- ...cleaning the streets
- ...helping people across streets
- ...helping when there is trouble
- ...bringing the mail

Who are the helpers in your neighbourhood? How do you help your neighbours?

# RULES

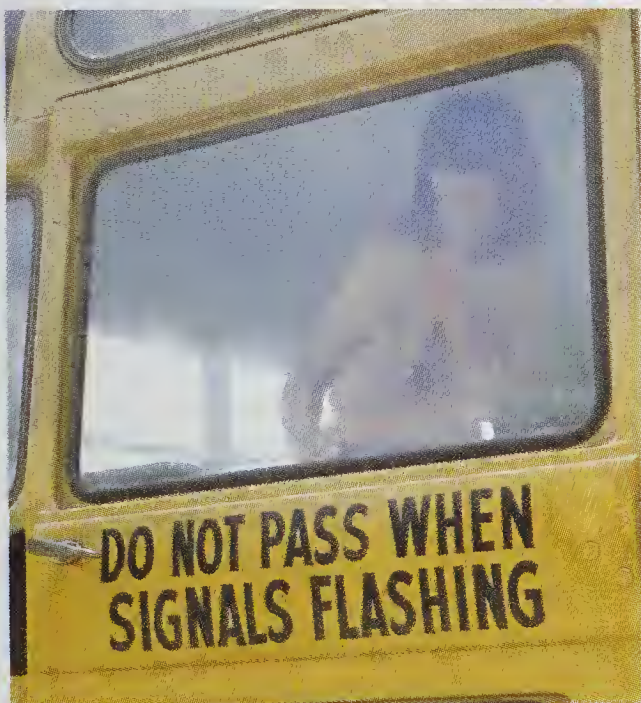

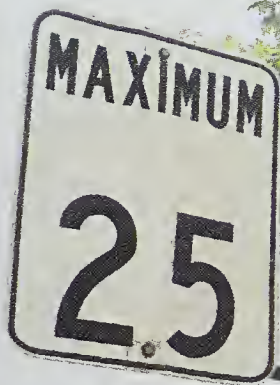

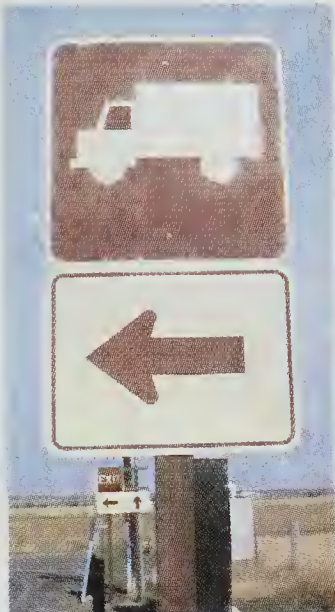

---

Neighbourhoods have rules. Rules help keep people safe. Rules help people get along with each other.

What are the rules in your neighbourhood?  
Why do different neighbourhoods have different rules?

# CHANGE

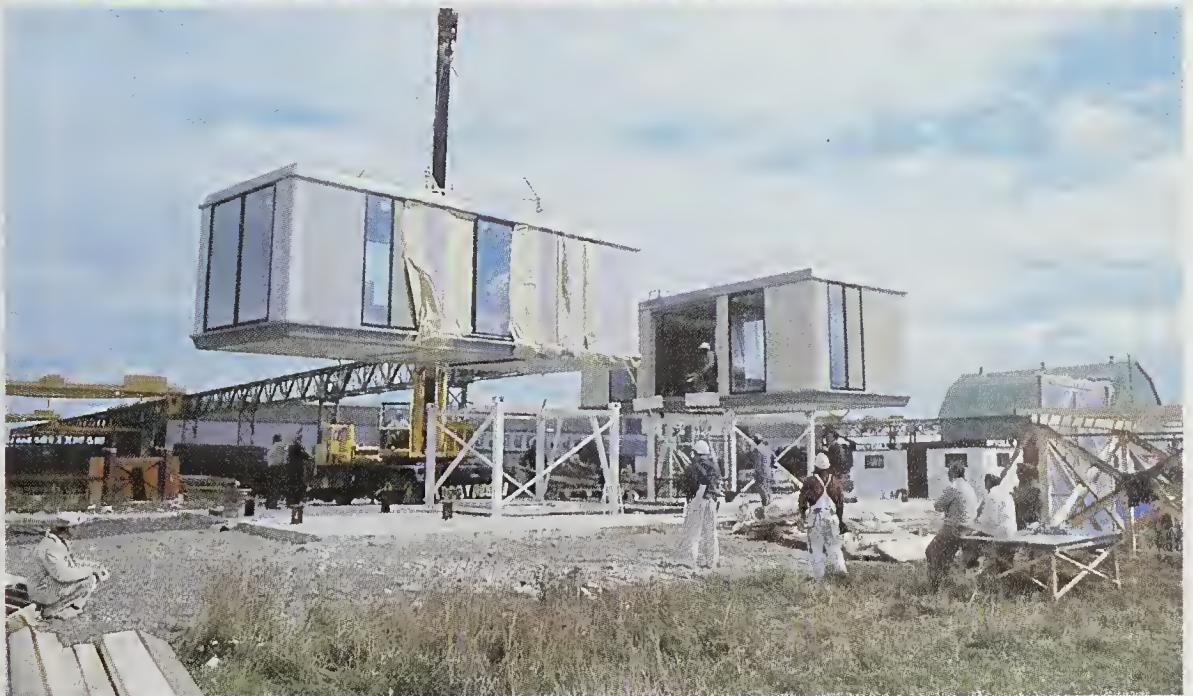

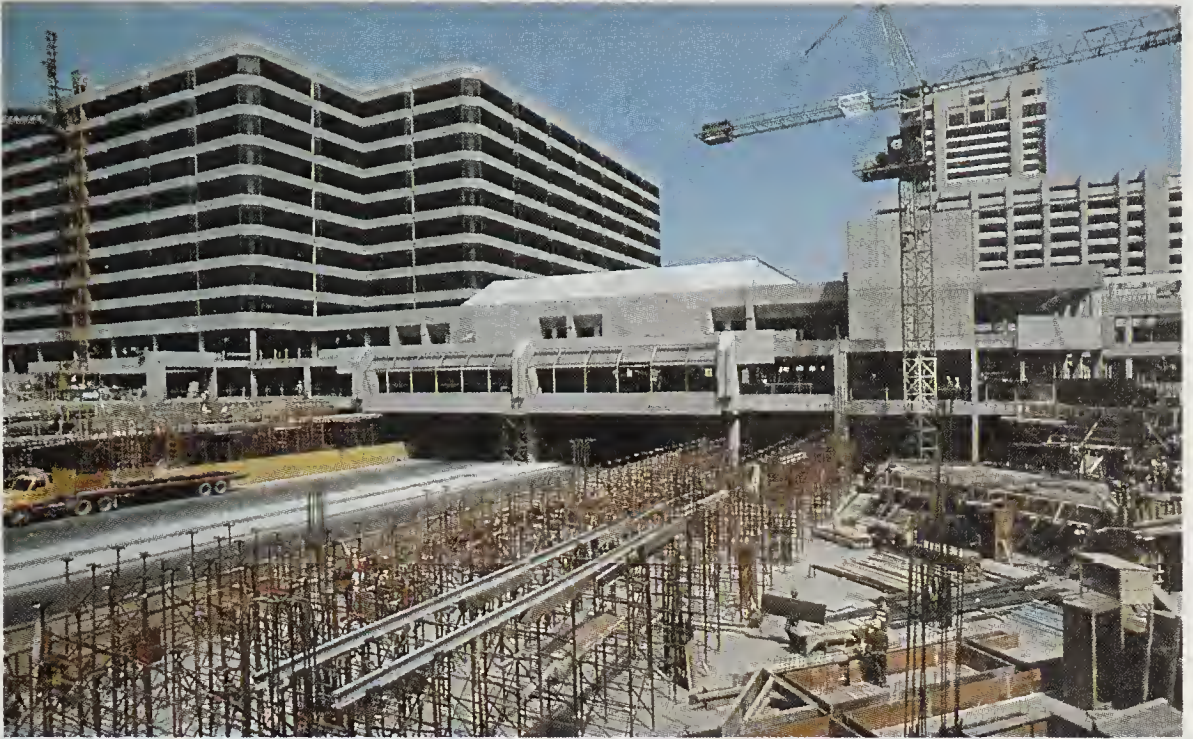

---

Neighbourhoods change. Sometimes, families move away. Sometimes, old homes are torn down and new ones take their place. Sometimes, new buildings are added to the neighbourhood. Sometimes, there are fires or floods. Different neighbourhoods change in different ways.

How is your neighbourhood changing?

# HISTORY

---

All neighbourhoods change as they get older.

How has your neighbourhood changed from the time it was new?

Everyone lives in a neighbourhood. There are many interesting people, places, and things to do in any neighbourhood.

What would you like to find out about your neighbourhood? What kind of neighbour are you?
